

CONSENT TO DATA PROCESSING

Aberdeen Amateur Swimming Club

Aberdeen ASC [“AASC” or “the Club”] requests your consent to process the following categories of personal data:

- **Health information:** Data related to health conditions or disability status that may affect your or your child’s fitness to participate in the Club’s activities or which may require adjustments to be made in order to facilitate your or your child’s participation.

It is not a condition of your or your child’s membership that you agree to this request for consent. If you do provide consent to the processing of such information, you have the right to withdraw it at any time. Once the Club has received notification of withdrawal of consent it will no longer process information for the purpose or purposes originally agreed to, unless it has another legitimate basis for doing so in law.

Further information regarding the processing of this data is provided overleaf.

Consent to data processing

I have read the information provided overleaf, and have been provided with a copy of the Club’s Privacy Statement which explains my rights under the General Data Protection Regulation.

CONSENT TO DATA PROCESSING

Aberdeen Amateur Swimming Club

Purpose of processing

The data we collect and process will be used for the following purposes:

- **Health information:** To protect your or your child's health and safety, to assess fitness to participate and compete, to provide appropriate adjustments to facilitate participation and to monitor and manage sickness absence.

You will not be subject to automated decision making as a result of giving consent to processing any of this data.

Storage and sharing of data

Health information: This is stored by the Head Coach on our electronic filing systems and on cloud based servers either based in the EU or operated by subscribers to US Privacy Shield, and is shared with the Club's Coaches on paper for the purpose(s) stated above.

We may be required to share the data with statutory or regulatory authorities such as the Health & Safety Executive and may also share the information with the Emergency Services if we judge it to be in your or your child's vital interests. We may also share information with our professional and legal advisors for the purposes of taking advice.
